# Hospice Care in Our Home or Yours

We provide expert hospice care to patients wherever they are - in their home, in a skilled nursing facility or in the hospital. Or, patients can experience the exceptional care and the finest amenities in our state-of-the-art, private suite, specialty hospital - the *Center for Comfort Care & Healing*.

## Palliative Care

For those with serious or advanced illness, our palliative home care ushers in comfort and peace through the integration of expert pain and symptom management.

## Medicare Care Choices Model

As one of just 70 hospice agencies across the country selected for this innovative program, Regional Hospice provides Medicare beneficiaries with the option to elect hospice care and curative treatments concurrently.

## Care for Our Littlest Patients

Regional Hospice's perinatal and pediatric hospice care services meet the physical, emotional and spiritual needs of families who have an infant or young child who has been diagnosed with a terminal condition. We are there throughout pregnancy, labor, birth, life and remembrance.

## Healing Hearts Center for Grief and Loss

The only program of its kind providing Western Connecticut and nearby New York with expert bereavement services. Our more than 30 programs, support groups, workshops and memorial events help to heal the pain of grief and loss.
