

Health Care Reform

*will help grow **healthy businesses** and **strong communities** by...*

- *Decreasing* your health care costs
- Giving you more *affordable choices* for covering your employees
- Helping your employees *stay healthy* and be *more productive*
- Providing individual reforms like *no exclusions* for pre-existing conditions and *coverage for dependents* up to age 26 and more...

To learn more about federal health care reform and the Connecticut reform plan, Sustinet, contact Universal Health Care Foundation of Connecticut at info@healthcare4every1.org or on the Web at www.healthcare4every1.org/business.

Or, contact Cheryl Harris Forbes at Small Business for a Healthy Connecticut at (203) 631-5186, cforbes@sbhct.org or visit www.sbhct.org.
